Reading My Bible: 30 Things

This method of reading scripture allows space and time for the Holy Spirit to specifically speak to our hearts through God's Word. This method is better suited for shorter passages.

Read the passage a few times. Let it sit with you. As insights, ideas, questions, applications come to mind, jot them down.

This method is best done by trying to find "30 Things" in 30 minutes. Adjusting for your lifeGroup schedule, try to do either "5 Things in 5 Minutes" or "10 Things in 10 Minutes".

After each person has had time to record their ideas, spend time sharing what stood out to you. What questions did you have? How did God speak to you in his Word today? What will you do this week because of what you have read?

Passage: [Luke 15](#)

PRAY

Who are the missing that you know? Pray that God would open your eyes to see even more, and that He would use you as He seeks the lost. Pray that God would send more laborers into the harvest. Pray that He would show you how He is answering your prayer, in part, as He has sent you.

LOVE

What is one way you will put something you have learned this week in to practice? (How do you rely on God's seeking and finding? When do you go and search, and when do you simply wait and watch? How can you join in the celebration rather than sit in judgment?)
