I AM WITH YOU
The Way: Waymaker

WORD

(You are welcome to gather in groups of 3 or 4 for all or part of this discussion. Consider using a break out room in zoom for smaller groups if needed)

READ [Exodus 12:29-42](#)

What in this text stands out to you as you consider God as the waymaker?

What parallels do you see to Jesus? How does this passage foreshadow Jesus?

Have you ever seen God make a way, for you or for someone else?

Is there anywhere you need God to make a way, today?

PRAY

Pray for those who are trapped and enslaved, by sin or by anything else. Pray that God would make a way for them. Pray for those who don't know Jesus, that God would soften their hearts to see and trust in The Way, Jesus.

LOVE

What is one way, this week, that you can share hope with someone who needs a way out?
