I AM WITH YOU
The First And The Last: Held

WORD

(You are welcome to gather in groups of 3 or 4 for all or part of this discussion. Consider using a break out room in zoom for smaller groups if needed)

READ [Isaiah 41:1-14](#)

What does God want for His people, here?

What do you learn about God?

How does God hold you up, or hold your hand?

What do you most need to be reminded of, in this scripture, and when do you most need to remember it?

PRAY

Give thanks to God for the ways He loves you, how He cares for you, how He holds your hand. Ask God to remind you of this when you feel alone. Pray for those who don't know that God loves them.

LOVE

What is one way will hold someone's hand this week? (How will you demonstrate the love that God shows you, and that He has for them?)
