Palm Sunday

Welcome

Share a time when something you said or did was misunderstood by others. What was the result?

Worship

Give a blank sheet of paper to each member of the group. Write a letter to Jesus expressing your thoughts and feelings about Him, your King.

Word

1. Read Luke 19:28-44. What stands out for you in these verses? Why?
2. Compare and contrast vs 38 with verses 41-44. Why are the people praising Jesus? Why does Jesus weep?
3. Compare and contrast "the American Dream" with Jesus' words in Luke 9:23-27. What are you striving for in life? Asking it differently, do you think Jesus is smiling or weeping for you?
4. Read Revelation 3:15-19. Is your relationship with Jesus cold, lukewarm, or hot?

Witness

Pray the following verse every day this week for someone who God has placed in your life who is struggling in life or who is far from Jesus:

Reach down from on high and take hold of _____; draw him/her out of deep waters. Rescue _____ from his/her powerful enemy, from his/her foes, who are too strong for him/her. Psalm 18:16-17
