

Psalm 136 : Remembering God's Faithfulness in My Life

(Individual Edition)

A thankful spirit is what flows from a heart and mind that is keenly aware of God's provisions and work in our lives. Giving thanks becomes worship when we give God the credit and glory for the all we have and all we are.

You are invited to use this template as a way to specifically reflect on who God is and how He has provided for you. Go through and write words in the blanks, following the prompts below the blanks. Then, read your song of praise back to God in an act of worship.
