**Journey With Jesus: He's Coming
Amazing and Confusing**

WELCOME

Where have you seen God at work this week?

WORSHIP

Praise God for how Amazing he is! Consider who He is. (read Isaiah 9:6)

WORD

READ Luke 1:26-38 (What's Up? What's going on? What's the background?)

Read this passage out loud and slowly from several different translations.

REFLECT (*the bottom line of what God wants you to know*)

What amazes you? What confuses you?

What would it be like to respond like Mary did in verse 38? What keeps you from responding that way?

RESPOND (*So what? You read it, you get it, how do you let it transform you? Now What?*)

What do you think God is saying to you? What are you going to do about it?

Where in your life do you have an opportunity to say: "I am the Lord's servant. May it be to me as you have said."

REMEMBER (*How will You not forget? If someone asked you tomorrow what you read in God's Word yesterday, could you share what you learned?*)

How are you going to remember to follow through? How does this passage prompt you to pray? Who can help hold you accountable?

WITNESS

Pray for those on your impact list (the people that are in your circle of influence that are perhaps far from God) by name. Pray that they are amazed this Christmas season at the birth of Jesus.

Home+ Challenge: Think of one way you could serve together as a family.
