I AM WITH YOU
The Life: Choice

WORD

*(You are welcome to gather in groups of 3 or 4 for all or part of this discussion.
Consider using a break out room in zoom for smaller groups if needed)*

READ [Deuteronomy 30:11-20](#)

We make choices all day long...name some choices you made today.

What choices are talked about in this passage?

What "how to's" are listed for us in vs 16 and vs 20?

It seems obvious that we would want to choose life over death and good over evil
- then why don't we?

How can we support one another in "loving the Lord your God, obeying his voice
and holding fast to him"? How is that going for you personally?

PRAY

Pray for one another that we would choose life. Remember vs 14 "But the word is
very near you. It is in your mouth and in your heart, so that you can do it" You are
loved completely by your Heavenly Father. Jesus said in John 10:10 - that he
came to bring you a life that is full and meaningful.

LOVE

What is one practical thing you can do this week to support life in a way that
seems missing in your neighborhood?
