I AM WITH YOU  
True Vine: Fruitful

**WORD**

*(You are welcome to gather in groups of 3 or 4 for all or part of this discussion.  
Consider using a break out room in zoom for smaller groups if needed)*

**READ [John 15:1-8](#)**

What do you learn about who Jesus is?

What is your position?

Discuss what it means to abide or remain. How is that going for you personally?

What is the fruit that we bear?

Do you really believe verse 5 that apart from Jesus you can do nothing? Confess those times when you have tried doing things on your own.

**PRAY**

Ask Jesus to help you abide in him. And ask that we would bear much fruit, that more and more people would be connected to life in Jesus - the True Vine.

**LOVE**

How will you show love this week? Be specific.
