I AM WITH YOU
Bread of Life: Life-Giving

WORD

(You are welcome to gather in groups of 3 or 4 for all or part of this discussion. Consider using a break out room in zoom for smaller groups if needed)

READ Exodus 16:1-21

What is the test here? What are the Israelites learning?

Can you remember a time your trust in God was tested? What did you learn?

Where do you have the most difficulty trusting in God? (big things, little things, daily things, things that rarely happen, right now things, future things?)

What can you do, daily this week, to practice trusting in God?

PRAY

Ask God to continue providing your daily bread, and be specific with what you need daily this week. Pray for someone you know who needs God to supply their needs daily, and ask God to show you how He might use you to meet those needs.

LOVE

Individually, or as a group, decide on one thing you'll do this week in response to the prayers you prayed asking God to show you how He might use you to meet the needs of someone you know.
